Aw Act to Regulate the Practice

The following is the bill as passed and approved in relation to physicians in the State of Kentucky, which we publish State of Kentucky, which we publish for the benefit of all concerned.

THIS COMMONWEALTH FROM EMPIRE-

WHEREAS, The people are liable to be I listened, and 1-fell. WHEREAS, The people are liable to be imposed upon by charlatans and incompetent physicians, and surgeons; and Ali that was dear to me in life.

They call me "woman of the tuwn"—that nane but persons with competent qualifications should be allowed to practice a profession to whose skill and ahility the life of the individual is intrusted; therefore.

§ 1 Be it exacted by the General Assembly of the Commonwealth of Kentucky,
That it shall be unlawful for any person,
for reward or compensation, within the
limits of this State, to practice medicule
in any of its departments, or pracribe,
medicine for any sick person or attanted.

He is and moves in circles, were some than the same with pride to call this same.

The same with pride to call this same.

He said "the loved me," and it was

The bapplest connected my life;
But now I'm scorned, because I'm called
His woman—not ide wife. § 1 Be it exceed by the General Assemmedicine for any slek person, or attempt to perform any surgical operation upon any person within said limits who has not graduated at some chartered school of medicine in this or some foreign.

Though be should live an bundred were to be should live an bundred were to be should live an bundred were sent. country, or who caunst produce a certifi-catent qualification from some one of the bands of expaniers, provided for in this set, and is not a person of good O woman! woman, why thus bate moral character.

and honorably engaged in the practice Tis woman's hate to womanking of mediciae, or any of its departments. That makes our fives a wrutched span; of mediciae, or any of its departments, for ten years, shall be deemed to have complied with the provisions of this act.

Any person having been so engaged for five years, shall be allowed one year in which to comply with said provisions.

3. The Governor shall, within sixty days from the passage of this act, appearance of the comply with the passage of this act, appearance of the complete of th

when he failed to vote in the gubernatolarge crowd rushed to the clear a board of Trushess on the first
boundary in the M. E.

On Tuesday evening, 2d inst., at the M. E.

Charles South in court was to Miss Many Branches and the court was to make the court was to wish the court was th room to be entertained with that exerutiating eloquence peculiar to county cantiating eloquence peculiar to co John S. Van Winkle, Esq., being present, occupied the attention of the present, occupied the attention of the ways been a Democrat, but would rejuice cinl record as Deputy Circuit Clerk, and audience for a few minutes in a lignified to see the Democratic party increased in address, announcing himself a candidate it strength by accessions from all parties.

The only way it was possible for the Detected. Mr. Miller referred to his ollities, taking the resulting of the Democratic party increased in the second and candidate it strength by accessions from all parties.

The only way it was possible for the Detected. Mr. Miller referred to his ollities, taking their positions directly in front the railread is cantinually throwing into

claims upon his pointient record, but based his general nature, he discussed the mon-modestly pointing to his judical qualifications in mind, normals, public and prictive in their advocacaey of such views of amounted himself a candidate, and took vate character. At the close of his re- government as are analogous to the fan- a passing notice of his opponents; exhibmarks he was greeted with appropriate damental principles of the British Consending corrows appliance.

And generous appliance.

Mr. R. C. Warren, candidate for upon the country such a construction of merits but left the audience to judge of above Point lead, called after the line. We with a Attorney. Mr. R. C. Warren, candidate for Commonwealth's Attorney of this district, made a peat little receipt announces and the Constitution as would practically make it a written check for a despotism, make it a written check for a despotism, make it a written check for a despotism, the generosity of the andience of this private character and official course as the Attorney of the county during a term of nearly four years; asserting if the county would give him the same generous support, in his race for a higher and more responsible position, that he had received from them in the past, ho would certainly be successful in securing the nomination of his party in the district, and, if elected, would endeavor to discharge the duties of the office creditally was nearly shaved just blow the supposed in the supposed to the supposed that an internal point of the supposed to the supposed to the supposed to the supposed to the county during a term of nearly four years; asserting if the county would give him the same generous support, in his race for a higher and more responsible position, that be had received from them in the past, ho would certainly be successful in securing the nomination of his party in the district, and, if elected, would endeavor to discharge the olitics of the county and harmonic of the supposed to t

NTERIOR JOURNAL official bond, and upon bond was responsest heart, and had acted throughout his ible for the sufficiency of every Sheriff's life from a sense of what he conceived to bond, the bonds of executions, adminis- be right. He spoke at length in extentrators, guardians, magistrates, consta- nation of his Bridgwater vote, and upon bond executed in the county court; that war, etc. He did not attack the in this regard the responsibility of a official record of Mr. Saufley Judge of a county court was far greater once during the course of his remarks. than that of a circuit Judge, who was His remarks in reference to the primary required to execute no bond, and was in election were timely and sensible. Beno wise held responsible if any bond tak- fore closing his speech, he took occasion en in the court was insufficient. Refer- to give some reasons for his Democratic lng to the amount of labor ho had per- faith; dealing the Radical party some farmed in his official capacity, he stated heavy and telling blows in his off-hand that he had holden for the county about and peculiarly pointed manner. In JOURNAL closes with this Issue, and the beginning of his term of office; that the decision of the parly in April, and if records in the clerk's office now exhibit nominated to use every effort in his powthat he had transacted three times as er to elect the Democratic tieket, and if has given general satisfaction thus far, much business as any of his predecessors elected, to be just and impartial to all

the Judicial department was countinate carn a support for himself and family without the ald of the fees of the office. The continuents of government.

ABOUT THE CANDIDATES.

Last Minday was one of the pioneer of the for Judge of the Eighth Judicial District, subject to the ruling of the Democratic party. He deemed the office of Circuit Judge of too much importance to be made the spoils of a more partizan warfare, and did not make the race alone upon his political record, but lased his claims upon his fitness for the position; he discussed the money was through—a rare thing for n country and heart and like and subject to the ruling of the Democratic party. He deemed the office of claracters, while shopelifters, burghers, thirves card sharpers, well trained and experienced, will have an elected. Mr. Miller referred to his odling the altar.

The railread is continually throwing into the claracters, while shopelifters, burghers, thirves card sharpers, well trained and experienced, will have the and sharpers, well trained and experienced, will have the sought position or preferment within its political history was well-known with marks, he should be able to show that he possessed settled convictions.

Passing from this to features of a more retired from the stand the moment he was through—a rare thing for n country was through—a rare thing for n country was through the referred to his odli grades and on the war and sharpers, burghers, burghers, burghers, burghers, burghers, thives and sharpers, well trained and experienced, with selected. Mr. Miller referred to his odli grades and on the war and estance to the stand in the stand to redected. Mr. Miller referred to his odli grades and on the war and estance to the altar.

The selected. Mr. Miller referred to his odli grades and on the altar.

The selected with becoming pride as an our town and country near differes, burghers, burghers, burghers, burghers, burghers, thirves, taking the altar.

The selected with proving into the stand the stand in the other stands and sharpers, burghers, burghe
